Mom and Me Program

This program is for two–and a half- year-olds and their parent or other adult. There will be two sessions per school year. Classes will meet Monday mornings from 9:30 to 11:00. We welcome you to visit our school.

A DAY'S ACTIVITIES AND GOALS

Through self-initiated play in various play areas, such as block corner, toy shelves, puzzles, class library, art cart, and housekeeping centers, we want to present your child with social situations that will encourage them to share, take turns, play in a group and make good decisions.

Arts and crafts including the use of paper, scissors, markers, play dough, easel painting, finger paint, water table and much more will help to develop fine motor skills, foster creativity and enhance the sensory process.

Gross motor skills and coordination are encouraged through activities in our large muscle room. These activities include running, climbing, throwing, pedaling and balance activities. The teacher will introduce the use of a parachute, tunnels, beanbags, bikes, balls, scooters, musical instruments and much more.

Vocabulary and verbal skill development as well as listening skills and attention span will be encouraged through the use of finger plays, stories, songs, games and snack time.

Most of all we want your child to have a positive introduction to the school experience allowing him/her to test their independence, while having the security of a parent close by.

A $10.00 non-refundable registration fee is required for each session.

Session I will be 12 weeks beginning September 13, 2010 through December 6, 2010. Tuition for session I is $120.00. Payable the first class day.

Session II will be 16 weeks beginning January 10, 2011 through May 9, 2011. Tuition for session II is $160.00. Payable the first class day.

Thank you for your interest in Northminster Cooperative Pre-School. We admit students of any race, color, and national or ethnic origin. If you would like a tour of our school or have any questions, please call 330.929.9300 or visit our website: www.NorthminsterPreschool.com.
